

GUIDELINES FOR POSTER PRESENTATION

The posters to be presented must follow the following indications:

- Dimension: 100 cm high, by 75 cm wide;
- An initial column full width, which should include the title of the article, the authors and their affiliations and contacts. Also, in this space, should be placed on institutional images and logos and others such as regarding to the sponsorship of research;
- Two columns are followed, their width is optional. The left column should include: Introduction, Objectives, Study Area, Methodology and Bibliography; In the right column the Results, Discussion and Conclusions.

The placement of an image or background color is at the discretion of the authors.

The posters will be sent by the authors, in an editable format and a pdf with high quality, to congressos@riscos.pt, **until 24 of April 2026**, so that they can be uploaded to the "Online Exhibition" webpage in time and shared with congress participants (there will be no printing or oral presentation – with the exception of those competing for the Young Researcher Best Poster Award).

ou can download the Poster Templates (Publisher or Power Point) in:
<https://viicir.riscos.pt/en/submission/posters-2/>
